

New Treatment Regimen for Latent Tuberculosis Infection

understanding **Author:** CDC NCHHSTP Division of Tuberculosis Elimination

Publication Date: 2012

Country of Origin: United States

Format: Online Resource

Physical Description: Video Podcast

Language: English

Abstract:

The Communications, Education, and Behavioral Studies Branch (CEBSB) in the Division of Tuberculosis Elimination (DTBE) at CDC developed a video podcast on the 12-dose treatment regimen for latent tuberculosis infection. The video podcast features Dr. Kenneth Castro and is available in English and Spanish. Additional 12-dose regimen communication products are available on the CDC TB Web site (<http://www.cdc.gov/tb/>).
